"Splendors in Stained Glass" takes you to Saint Francis Xavier Church in Black Rock (home of the Buffalo Religious Arts Center museum), Trinity Episcopal Church, Saint Ann's Church and Shrine, and Corpus Christi. See windows by Tiffany, LaFarge, Zettler and Meyer - one of the best collections of stained glass artists in the world. Learn about the work of master architects like Frank Lloyd Wright, Louis Sullivan, Daniel Burnham, Richard Upjohn, and landscaping architect Frederick Law Olmsted. View our historic grain elevators on the waterfront, and then check out neighboring Canada from the observation deck at Buffalo's massive City Hall.
